SEVENTEENTH CONGRESS
First Regular Session

House Resolution No. 453

Introduced by Deputy Speakers PIA S. CAYETANO, ERIC D. SINGSON, MERCEDES K. ALVAREZ, FREDENIL "FRED" H. CASTRO, RANEO "RANIE" E. ABU, ROMERO "MIRO" S. QUIMBO, MYLENE J. GARCIA-ALBANO, GWENDOLYN F. A RESOLUTION
EXPRESSING SUPPORT OF THE HOUSE OF REPRESENTATIVES FOR THE INCREASE IN THE BUDGETARY SUPPORT FOR HIGHER EDUCATION AND HEALTH

WHEREAS, the Duterte administration has repeatedly expressed that education is one of its pillars of growth and development;

WHEREAS, in a 2012-2014 study by the UNESCO Institute for Statistics, the Philippine Government Expenditure for higher education per student was just \$800 (Php 38,400) for 2014, compared to Indonesia which was at \$2,054 (Php 98,592), Thailand at \$2,778 (Php133,000) and Malaysia at \$13,230 (Php 635,000);

WHEREAS, in the proposed 2017 General Appropriations Bill, a total of Php256M of the Maintenance and Other Operating Expenses (MOOE) of thirty-five (35) State Universities and Colleges (SUCs) was slashed;

WHEREAS, there is a need to restore the slashed MOOE of the thirty-five (35) affected SUCs to enable them to continue their regular operations;

WHEREAS, in terms of Capital Outlay (CO), although it is not a recurring amount in the budget as projects are eventually completed, investment in infrastructure and equipment is necessary if we want to improve our school facilities and elevate the quality of higher education;

WHEREAS, among the higher education institutions whose budget for capital outlay were cut, is the University of the Philippines (UP);

WHEREAS, UP is our premier national university, and despite budget constraints, is the only public higher learning institution which has managed to rank in both Asia and World University Rankings, yet is still very low compared to the top universities in Asia and the World;

WHEREAS, additional budget for the capital outlay of UP will go a long way as it will contribute to the improvement of the quality of education in our premier national university and further enhance our competitiveness;

WHEREAS, healthcare is likewise a priority social service of the Duterte administration;

WHEREAS, the MOOE of various public hospitals was slashed by Php1.3B, and on the same note, the budget for medical assistance of the Philippine General Hospital (PGH) is likewise in need of augmentation to be able to provide quality healthcare service to our less fortunate Filipinos not just those living in Metro Manila but from all over the country;

WHEREAS, there is a need to restore the MOOE of the affected public hospitals and likewise increase the MOOE of PGH, our premier public healthcare facility;

NOW, THEREFORE, BE IT RESOLVED, as it is hereby resolved, for the House of Representatives to express support for the increase in the budgetary support for higher education and health.
